1 Samuel chapter 17

'All those gathered here will know that it is not by sword or spear that the Lord saves; for the battle is the Lord's, and he will give all of you into our hands'

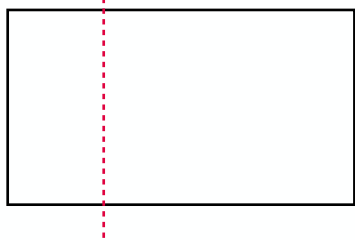

Reaching into his bag and taking out a stone, he slung it and struck the Philistine on the forehead.

1 Samuel 17: 47, 49

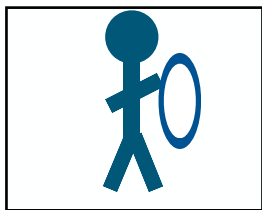

What you will need:

Paper, scissors, glue/sellotape and coloured pens/pencils.

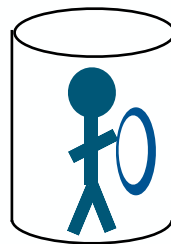

With your A4 paper, cut one third away. You will use this part later.

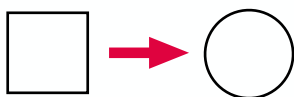

In the middle of the paper, draw Goliath & colour him in.

Stick both edges of the paper together to create a cylinder, so Goliath stands up himself.

Use the paper you cut away at the start and rip into squares, and scrunch up into balls- these are David's stones

You can now play and see how many stones it takes you to knock Goliath down
