Youth Worker: vision/development of role

We asked before the summer for people to be prayerfully considering if and how we should develop the youth worker role given that we are moving to fund it more ourselves. If God has spoken to you and you have some thoughts please pass them to Hamish or Stuart. If you are inspired by the prospect of developing the Youth Worker role and want to share in this by increasing your giving, please advise our Treasurer (Colin Smith) so that he can allocate any increase to the correct fund. Many thanks for your thoughtful consideration of this.
